# FOREWORD

The year 1967-1968 was a happening in itself! Action was the word, energy the key to the world, of progress in which William N. Neff played an active part. Achievement was remarkable in all fields.

New traditions created a spirit of pride and enthusiasm among the Trojan students. Our first Homecoming in November began the chain of new and exciting events that would continue throughout the year. A rally was held in honor of the 1967 Alumni and a reception followed. The football game held at Cerritos College was highlighted by the crowning of the Homecoming Queen. The Elite Corp of the Drill Team made their first appearance at half time. At the end of the game, victory was ours and the school spirit was tremendous.

The Moonlight and Roses Dance sponsored by the Girls' League proved extremely successful. Sadie Hawkins Week including Dogpatch Day, two slave days, and finally the Sadie Hawkins Dance was enjoyed by all.

Our Student Government succeeded in establishing a better relationship with our rival by sponsoring joint rallies and games. The opportunity of having 4 foreign exchange students was an achievement that will strengthen relations throughout the world.

The Oracle Staff was responsible for the "Oracle" Magazine, which was a collection of writings from various talented students.

The Class of 1968 has had an experience of beginning a new school. Along with the Alumni of 1967, they will remember trying to raise school spirit and determination from buildings which gave no reply. In each of the four years, something new has been added in regards to our standards. The upperclassmen received privileges including senior keys, senior parking lot and finally a senior square. By the beginning of a project that will continue for several years, they leave another foundation for the incoming students. Finally the last quarter comes along, one that many felt would never arrive! Senior ditch day, the Prom and baccalaureate and then- the class of 1968 is no longer part of the student body. Graduation comes, bringing each a step closer to long ranged goals. Now and then the seniors will look back along with the rest of the student body and see that Neff was truly a happening!

*Johnna Moore*

# Dedication

Miss Moore was born in the neighboring city of Artesia. She is a person that is talented in various fields: art, writing and music (piano, saxophone, trumpet and violin).

Johnna Moore, the outstanding student of her class, attended Pioneer School in Artesia. At this school she learned softball which lead her to be an accomplished player from age eleven. Her awards for achievement began in the third grade by selling war bonds, and have continued throughout her life.

Being an imaginative and energetic person, she created the doughnut sales at Excelsior. Upon graduation, Miss Moore was the Valedictorian of her class.

Through the assistance and encouragement of parents, John and Evelyn Moore, she has accomplished far more than most people contribute to the world. Not only have her parents helped their daughter but also their close friends of the family.

In her senior year, Miss Moore received a scholarship to U.C.L.A., which began five years of outstanding participation in organizations and activities. In her junior year she was on Mortar Board, became Most Loyal Junior, President of Student American Association of Health, Physical Education and Recreation, President of the Student Section of the California Association of Health, Physical Education and Recreation. The Scholarship Award was also accepted by her. In her senior year of college, she again graduated with honors. Miss Moore went on to complete graduate work to receive her Master of Art Degree. Upon graduation, Miss Moore was invited to stay on at U.C.L.A. in a teaching capacity. Desiring the secondary level of education, she declined the offer and began as a Physical Education teacher at Los Alisos. Transferring to La Mirada to fill the position of chairman of the Physical Education Department, she administered the jobs of Director of Activities and Advisor to Annual Staff. The successful annual G.A.A. Banquet was founded by our Girls Vice Principal. Miss Moore's artistic talents have been in great demand. She has done the P.T.A. Art and Poster Chairman and has done the designs of the cover for the bulletins.

When our high school opened its doors, doubt was expressed as to whether or not the students would have an annual. Miss Moore volunteered her services as advisor. She held this position for two years and helped produce the first two annuals.

Her outstanding design for the band banner made it possible for the P.T.A. to follow through with their aspiration. In addition to her duties, she worked as Director of Drill Team.

She also began a private art business called "Artcom" in 1967. In her business, Miss Moore designs brochures, letterheads, and illustrates textbooks, Christmas cards, greeting cards and business cards. Neff's student body can thank Miss Moore for her terrific drawings on the Christmas cards sent to Vietnam.

A sincere friend with a genuine concern for student welfare characterizes Miss Moore's work as Girls Vice Principle. In this position she administers necessary discipline with fairness and understanding. The Troiani staff is dedicating 1968 to Miss Johnna Moore whom we admire and respect.

Karen,  
I'll give really  
had some really great  
time in high school, not  
counting for the money, time in  
Girl Scouts. But, anyway, I'll always  
remember you because you're so  
sweet and considerate of all you know.  
Best of luck! Happiness always,  
Melanie Mestcott

Others follow"

# "We lead. . .Others follow"

The class of '68 has left a challenge to the underclassmen of Neff High. The challenge to try and come close to the achievements we have made in four short years.

We set off our freshman year with the selection of class officers. Kandi Warr was selected as President, with Terry Skotnes as Vice President, Melanie Wescott as Secretary and Mike Touchette as Treasurer.

During the year the class constitution was written. The first freshman class sponsored Neff's first recreation night, and also sponsored the candied apple booth at the Sadie Hawkins Dance.

The sophomore year was bigger for us. We had a sophomore team take first place in the Cerritos Math Field Day. We sponsored a pizza sale and at the Sadie Hawkins Dance sponsored a fortune telling booth. The end of our sophomore year brought the selection of a class ring.

Class officers for the year were: Terry Skotnes as President, Melanie Westcott as Vice President, Kathi Spring as Secretary, Craig Roberts as Treasurer, and Marta Allen as the Social Chairman.

Things just didn't stop happening for the class of '68 during our junior year. We held a Christmas card sale and made "lots" of money. We sponsored the tricycle races at the Sadie Hawkins Dance. We also made the selection of the senior sweaters.

The highlights, however, were the crowning of Gail Garceau as Letterman Queen and the selection of Randy Tyler as the C.I.F. Player of the year. Both were members of the class of '68".

And who will forget the first Junior-Senior Prom held at the Disneyland Hotel? This prom, put on by the class of '68, set the standards for the succeeding proms.

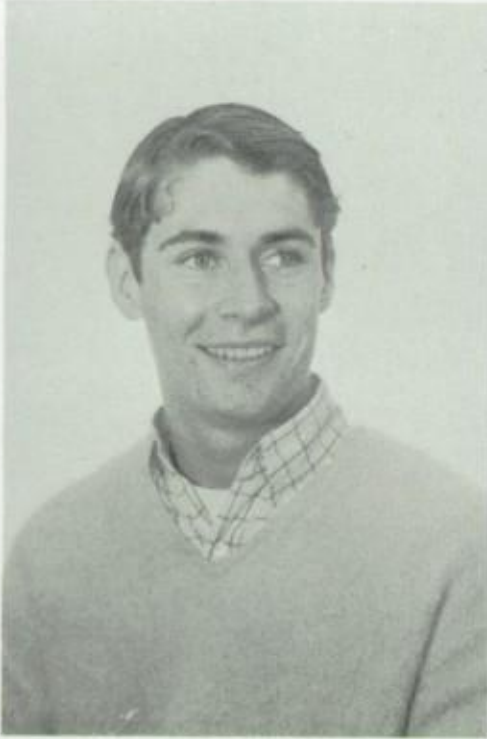

The President for the junior year was Craig Lapeere. Barbara Prince was chosen as Vice President, Kandi Foreman as Secretary, Ron Fifer as Treasurer and Kandi Warr as Social Chairman.

Our senior year came and went faster than we expected. The class officers were Terry Skotnes as President, Ron Fifer as Vice President, Shari Hanes as Secretary, Kathy Dunathan as Treasurer and Melanie Westcott as Social Chairman.

We will never forget the fun we had on ditch-day or the tears which were shed at graduation. Then to top the year and perhaps to say some of our last good-bys, we attended the all-night party.

Neff's Varsity team this year had a quite remarkable record, with 7 wins, 1 tie, and only two losses. Also this year, Neff had two men who made all league. They were Randy Tyler and Dean Itow. Both of these guys, and the whole team deserve to be saluted.

Great goin' team!

The pride of Neff High's football teams this season is its "Bee" team. The "Bee" team again this year took the league championship with an outstanding 9 win and 0 loss record.

Congratulations Bees!

And then there's the "Cees" to complete a remarkable football season. The "Cees" wracked up a great 7 win, 2 loss record this year, a record any team would envy. We salute the "Cee" team who did a great job of rounding out Neff's season.

# 1967-68 Varsity Basketball

Although Neff's record did not fare too well this year, no one can deny that our Varsity, for one minute stopped fighting for the honor of their dear old Alma Mater. Spurred on by Coach Kuyper, these boys tried their hardest for our school, and won in the hearts of every Neff student.

I'm sure everyone will agree that although not very profitable we had a real fun basketball season.

## A.S.B.

What has been the cause of the success and glory that Neff can so rightfully claim? Looking back four years, the class of '68 can remember the hardships and challenges they had to face on that first day of school. As they started their high school career they were faced by a cold, non-breathing, group of rectangular buildings on a dirt foundation. They were called to class by the ringing of car horns stationed around the campus. Lunch was eaten on benches for there was no cafeteria. Things seemed very dim! But Neff's first two classes devoted their time and efforts to starting Neff on its road to success. The students of our present student body picked up the tradition. They have inherited the spirit and devotion that will keep our school number "1" in our community and Southern California. Through their continued efforts Neff will continue to grow. If the tradition is passed on through you to future classes, Neff's continued success is assured and we will be able to predict our future-UP!!!!

I am proud to say that I was able to be a "TROJAN".

Activities

With the selection of a theme and the naming of the person whom we would honor with the dedication, the Troiani Staff started off an exciting and enthusiastic year. The staff, working as a team, was not doing a chore but attempting a project which we hoped would bring fond memories to you, the students and faculty of Neff High School.

Under the guiding hands of Mr. Lee, an able advisor especially in his experience as a photographer, and editor Vivian Garcia the annual began to take shape as we tried to recall the highlights of the year.

It is with sincere pride that we the Troiani Staff present this yearbook to you, the heroes and heroines of our book. We hope, as you go through these pages, you will relive the events which made 1967-68 a year to remember.

Our annual Sadie Hawkins dance was highlighted this year by several new attractions: spook alley, a body painting booth, and the pep units cafe. Stimulating sounds were projected by the "Starting Revolution," as dating doubles, dressed in matching shirts and outfits, danced.

# White Christmas Ball

"White Christmas Ball" was the theme of this year's successful Christmas dance, held in the new multi-purpose room on December 16th.

The room was gaily decorated to promote the Christmas spirit, by red and green streamers hanging from the ceiling. Rows of colored lights were strung throughout the room and a white flocked Christmas tree was set on stage.

The evening was highlighted by the announcement of Mr. and Mrs. Santa Claus, Laura McCollum and Steve Currier, and the delightful music of Mr. Kirk's band "The Softwinds."

It was truly a romantic evening.

# It's a happening!

# moonlight and Roses

This year, a new trend was set at Neff by the Girls' League. For the first time in Neff's short history, the Girls' League sponsored a Girl-Ask-Boy Valentines Dance. The theme was Moonlight and Roses. For weeks in advance, girls and boys were busily getting ready for the big night. Rhythmic patterns were expressed by the ever popular PURPLE HAZE. The night was filled with excitement.

# and Dance. . .they did!

Among this year's many events, were the after-game dances. Although the Neff students came home weary from the big game, they managed to muster up enough energy to use on the dance floor. The soulful sounds were provided by such bands as THE FEMALE SPECIES, and the PURPLE HAZE. As you can see by the happy faces, it has truly been a swinging year!!

"We Lead, Others Follow" - Members of the Class of 1968 have assumed their roles as leaders since the opening of Neff High School. Many of our early traditions were conceived and implemented by this class.

Leadership carries with it the responsibility of setting precedents for action by subsequent groups. The examples provided by those in leadership have a long lasting effect on those who must follow in leadership roles. Taking an active part in the establishing of traditions since the opening of Neff High School, the Class of 1968 can be assured that "others will follow" their fine examples of action based on careful thought, wise choice and experience.

As the Class of 1968 graduates and leaves Neff High School, an era will have passed. No longer will there be students on campus who were part of the first Trojan student body. Best Wishes, Class of 1968!

# Youth in Government

Youth in Government gives seniors a chance to see how our city government operates. The students participate in actual activities with their counterparts. Attending study sessions, lectures and luncheons enable the students to recognize the importance of active involvement in city government. Youth in Government gives an opportunity for seniors to prepare themselves for the future. Each senior should try to take part in Youth in Government.

## Modern Dance

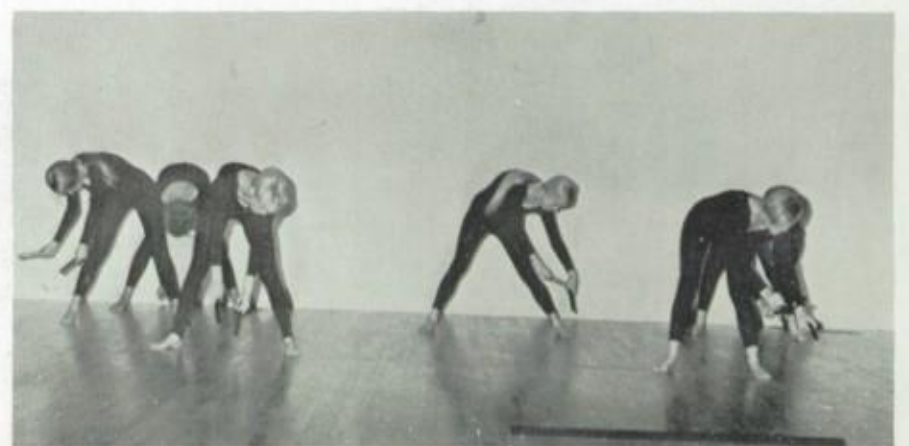

Miss Schipper

Modern dance is the communication of ideas and emotional feelings through meaningful movement. This year the modern dance class staged their first of what they hope will be a series of dance concerts. The theme for the concert was a "Dance Colleague". Under the direction of Louise Bartlett and Miss Schipper the concert proved to be very successful.

## SENIOR PARENTS' Reception

The second annual Senior Parents' Reception was held May 16, 1968. This event, sponsored by the Girls' League, proved to be a great success. The program consisted of various types of entertainment including singing, dancing, and acting. All performances were by underclassmen who demonstrated excellent ability. The audience was extremely impressed by the talent of the student participants. Following the

program, the seniors and their parents were honored by an informal reception where refreshments were served and they were given the opportunity to become acquainted with others. As the crowd began to diminish, comments such as "excellent", "surprising", "great" could be heard, words that were rewarding and much appreciated by those who participated in and planned the event.

## Lil' abner

Another tradition has been set!

This year for the first time, Neff sponsored their Spring Musical. This years' production was "Li'l Abner" and was jointly put on by the Drama, Art, Photography, Dance, Music, & Athletic department. Under the able direction of Bob Sessions (drama), Bill Kirk (Music), and Donna Shipper (choreography), the two night run was a sell out both nights.

All people involved, in all phases, gave a tremendous of their time and talent to make the play as great as it was.

# Sports' Best

Leading the athletes of Neff are those designated as "Most Valuable." These are the sportsmen who have excelled in their particular area of sports. They have displayed their great skill time and time again and they added that much needed ingredient - sportsmanship. These six men have proven themselves as leaders with an ability to rally the teams toward victory and unprecedented glory. To be certain, it must have been a difficult task for the coaches to select only six athletes from so many to be honored as best in their respective fields. Every athlete here at Neff is deserving of an award merely for the hard work put forth to better the teams. Neff proudly recognizes all of its fine athletes with hearty congratulations for a victorious year.

# Baccalaureate

Rev. Peterson

Baccalaureate is the religious portion of graduation. During this year's Baccalaureate Robert Hord read scripture from the Bible and a stirring sermon was given by the Reverend Peterson. The Benediction was given by Rick Hopkins.

Our graduates motto "We Lead...Others Follow" is truly justified as they have lead Neff Highs underclassmen into and through a successful and rewarding year.

Robert Hord

Our minds are open

The beginning of the end.

Our thoughts many.

CHEESE!!!!

God's word in song.

Wolf, is he still looking?!!?

...and so graduates, step forth and lead.

...and they listened.

# a day in the life

## SENIOR BREAKFAST

On the last day of school, Thursday, June 13, 1968, the annual Senior Breakfast was held. The seniors began arriving promptly at 8:00 a.m. and were served a hearty breakfast which was to keep them going through this hectic day.

## GRADUATION PRACTICE

Following the breakfast the seniors headed toward the gymnasium. Here they spent several strenuous hours marching, standing, sitting, and listening in preparation for the graduation ceremony to be held that night.

An empty scene, soon to be filled by the future of America.

...and the next time you're in Sweden...

Calm before the storm.

## GRADU

Oh my girl

"...follow me!"

ation

killing me!

So long, but not good-bye.

...and in conclusion...

It will self-destruct in five seconds.

Shucks, you keep it.

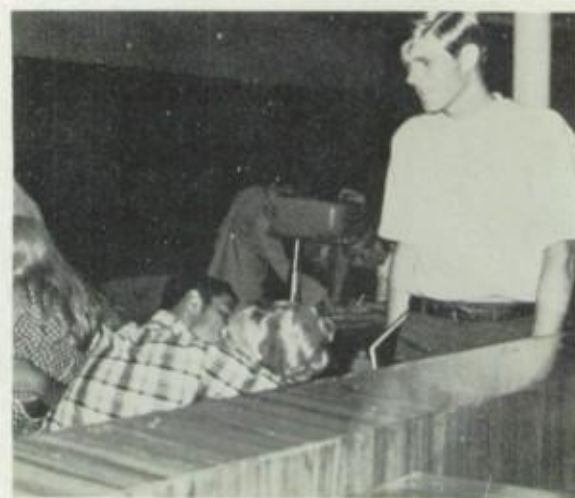

Boris always says....

Who's book am I signing?

I wonder if she's still angry with me.

## all night party

Hey brother-pour the coke.

Anything he can do I can do better.

Eight ball - side pocket.

A lesson by La Mirada Slim.

Let's all go to the party.
